

CYA Sermon Based Groups:

CYA Discussion questions for the week of 10.4.26:

For the first meeting together, Reggie would like to start with some foundational questions. This will allow everyone to get to know each other better while also giving a gauge for you as leaders to know where everyone is on their faith journey. This also gives participants in the group the opportunity to share their faith story which will encourage them to share it in other settings. Sometimes we all just need an invitation or a little nudge.

1. What are you hoping to get out of being part of this small group?

What would make you look back a few months from now and say, "I'm grateful that I joined this"?

2. Tell us about your relationship with Jesus. Where would you say you are in your journey with Him right now?

If you're comfortable, share when and how your relationship with Jesus began.

3. Where do you want to grow most in your walk with Jesus right now?

This could be spiritually, emotionally, relationally, or in how you live out your faith publicly?

4. If you were to honestly evaluate your faith right now, what would you say is going well—and what feels like an area where you need God to work?

5. What is something Jesus has been teaching you in this season of your life?

How has that encouraged and challenged you?
